

### **Bush, Toddler Girl**

A distressing accident occurred at Johnson on last Thursday, when the little daughter (1923-1926) of Mr. and Mrs. Bush fell into the lake on the Billy Johnson place and was drowned. It seems that the little one, aged three years, while playing with some other children, fell overboard from a landing and before she could be pulled out, death was so near that in spite of the best of medical skill, the little one soon passed into the great beyond.

The interment was made Friday afternoon in the Johnson cemetery.

The sympathy of the entire community is extended the grief-stricken relatives in their time of unexpected bereavement.
